KEY (what “+” means)

Opposes toll lanes: Opposes plans for private company to build toll lanes on I-270 and the Beltway.

MARC trains & Purple Line: Supports all-day MARC trains as high priority and did not oppose the decision to build the Purple Line.

No new highways: Opposes building expensive, destructive new highways like M-83, Observation Drive Extended, and Norbeck/Georgia interchange.

Housing near transit: Supports building more housing near transit, including 2- & 3-family homes.

Safe streets: Supports making streets safe for walking & cycling, even if it slows down car traffic.

ABOUT THIS SCORECARD

Ratings are based on voting records, questionnaire, and public statements. A blank rating means a candidate’s position on the issue was unclear, mixed, or could not be found.

Candidates who are unopposed in their primaries, or did not respond to our questionnaire and didn’t take clear positions elsewhere, are not shown.
